## A Day Trip Packed with Fun!

### Scotty's Classic Car Museum

The Travel Masters will take a step back in time and visit automobiles from the 1930's through 1970's. Owners Scotty and Phyllis Bitner opened Scotty's Classic Car Museum to provide visitors the opportunity to view a different era of automobiles, pop culture history and memorabilia. The museum features automobiles, automobile product memorabilia, gas pumps, bicycles, toy cars, metal pedal cars, neon signs and a library of automobile books. You can get a cold Coke from the old fashioned Coke machine and stroll through the museum remembering your youth: toys, dolls, model cars, automobilia, military memorabilia, pedal cars, bicycles, and much more.

*The food is finger-lickin'  
and the entertainment keeps you kickin'  
at Chicken 'n Pickin'!*

### Chicken 'n Pickin'

Yes we're headed to "Chicken 'n Pickin'" again! This is a Travel Masters . . . must attend day trip. This year we have a small twist to our tour, Karen (the owner) will be puttin' on a show with her brothers! This show is only done a couple times and they have agreeded to put on a show just for the Travel Masters! Nothin' like enjoy'n fried chicken and all the fixin's and then sittin' back in our chairs for some country music and hear some real country pickin'.

### Circle's Pecans

After leaving Chicken -n- Pickin' we'll stop off at Circle's Pecans in McCune, Kansas. . . they have jellies, jams and of course . . . pecans and they are good!

### Downstream Casino

The Travel Masters will have their reststop on the way home at Downstream Casino. You can look around, get a snack and have a little bit of time to try your luck at one of their many machines.
