Dinner at the Wooden Spoon

For those of you who haven't visited the Wooden Spoon, they feature "Home Style Cooking" with a Country Home Atmosphere. Dinner includes choice of: 1/3 Rack of Ribs (oh, they are so good) or Herb Roasted 1/2 Chicken (can't go wrong here either) complete with green beans, gourmet potatoes and homemade dinner roll! . . . and then there is dessert (some of the best dessert around) Travel Masters have the choice of: Homemade Coconut Cream Pie or a warm Brownie Sundae. You're in store for some extremely good food. The only thing you'll have to worry about is whether you're eating too much or not.
