If you take a cell phone with you, please give us your phone number the day of departure.

"TRAVEL INFO" SHEET A "TRAVEL INFO" SHEET will need to be completed before departure. This provides helpful details on medical history, medications & emergency contact numbers. See the sheet that is included with this brochure. If a medical sheet is not included, we have your information on file. If changes occur, such as new medications or emergency contacts please let us know. A Travel Release form must be signed by all travelers before travel can be taken.

DRESS: Casual clothes are appropriate for most activities and travel.

Two Days in Washington DC have Business Casual requested to meet the dress code of the day's events. They are noted on the start of the day's itinerary.

We suggest "layering" as the TEMPERATURES will vary outside and on the motorcoach. Plan on cool daytime temperatures by packing mid-weight fabrics, as well as a sweater, jacket or light coat for cooler mornings and evenings. Additionally, you may wish to pack quality sunglasses an umbrella or raincoat and waterproof shoes in case you encounter some "liquid" sunshine! Travelers should have comfortable walking shoes, since nobody can really enjoy their sightseeing with aching feet. If you wear glasses or contact lenses, it is advisable to include an extra pair.

SEATING: There are no seats assigned. For extended trips, a seat rotation plan will be explained and followed. This allows everyone to meet more of the travelers on the tour. The escorts or drivers cannot make exceptions for seating in the front of the motorcoach out of fairness to the other travelers.

NESTING: We do allow Travelers to have a seat in the back of the motorcoach and "nest" as we call it. Meaning they will not follow seat rotation and can have the seat to "nest" for the duration of the tour. Please let us know if you would like to "nest".

Three tables will be set up in the back of the motorcoach for travelers to play cards or other games while on the road. We will bring cards and dominos that can be played on the motorcoach, if you have a game you want to bring . . . please do.

SMOKING: For the comfort of all travelers, smoking is not permitted on the motorcoaches. Rest stops for smoking and stretching are scheduled regularly.

LUGGAGE HANDLING: One piece of checked luggage is allowed per person. Enclosed is a luggage tag for your checked bag.

Carry-on bags may be taken and handled by the passenger. They can go underneath the motor-coach.

NOTE FOR EASE OF TRAVELING: We suggest taking a carry-on which can hold your P.J.'S, tooth brush, tooth paste, make-up etc. We have several later evenings arriving the hotels. This way you can prepare for bed while waiting for your luggage to be delivered to your room.

DO NOT SET OUT CARRY-ON FOR LUGGAGE PICKUP: Carry-ons are your own responsibility (you'll need to take them to and from the motorcoach).

Please feel free to also bring-on the motorcoach a small tote, purse or camera bag. They may be stored above you in the storage compartments.

DRINKS & FOOD: Each morning we will have a bottle of water for each passenger. Please take one bottle as you get onto the motorcoach. Due to scheduling we will not get water out other than morning departures.

We make frequent stops on the Travel Masters Tours. Please feel free to bring on soft drinks, water or any snacks to enjoy while we're traveling.

ODDS & ENDS: Being on time is very helpful to a group, it keeps the entire itinerary going as planned and is appreciated by everyone. Times can vary, so make sure to mark changes or fill in times in the blanks provided.

SECURITY POLICY IN WASHINGTON DC MEMORIALS AND MUSEUMS:

All bags, purses, shopping bags satchels, suitcases, etc. will be hand searched.

To expedite this please bring only a small purse, fanny pack or neck wallets.

DO NOT bring daypacks, backpacks, or luggage.

DO NOT bring sharp items, such as knives (including pocket), screwdrivers, corkscrews, scissors, nail files, etc.

This can be modified at anytime and our DC Tour Guide will advise us of any guidelines to follow. We can not make exceptions and if you do not follow guidelines you can miss the event. The rest of the group will proceed without you.
